Sweetwoods

Parkland Golf at its finest

Sweetwoods Golf Club is a glorious championship standard golf course set in the Wealden Area of Outstanding Natural Beauty nestled between Tunbridge Wells and East Grinstead.

At Sweetwoods, our Par 72, 18 Hole Parkland course forces you to consider every shot. Dramatic tee shots, challenging approaches and fast, undulating greens make our course both challenging and memorable. Rated as one of Sussex's best courses set amidst the stunning woodland landscape and a number of natural lakes on 9 of the 18 Holes, it offers a test to players of all abilities. The course winds its way over 180 acres of stunning countryside landscape.

We are a proprietary club and re-invest any profit directly back into the club which has reflected in numerous improvements at the club over the past 10 years. This year alone, we are investing over £500,000 in a TopTracer driving range, tee box renovation and updated course machinery.

Join a delightful, but challenging, course in a wonderful setting. Our relaxed atmosphere and stunning course sets us apart from other surrounding courses.

Sweetwoods
